2015 USATF Annual Meeting
2015 Committee Reports

2015 Coaches Advisory Committee Annual Report

Our Coaches Advisory Committee seeks to represent our coaching community as well as strives to both recognize and assist our coaches with funding opportunities for continued professional development. The Coach Registry continues to evolve with the successful completion of the newly USOC mandated Safe Sport course now being a requirement.

The CAC Strategic Plan continues to progress. Task forces were appointed to address action-steps and time-lines for our strategic plan's objectives.

Our CAC Awards committee, chaired by Jack Hazen, reviewed applications and credentials of candidates for a number of grants for the professional development of coaches. The total dollars distributed in 2015 amounted to \$16,810.00. The breakdown was as follows:

IAAF Academy Grant: Three awarded to cover tuition and room and board.
Total: \$4,410.00

National Championship Grant: Five awarded at \$800.00 each.
Total: \$4,000.00

Fall Mentorship Grant: Five awarded at \$800.00 each.
Total: \$4,000.00

NACACTFA Grant: Three awarded at \$800.00 each
Total: \$2,400.00

PEP Grant: Four grants at \$500.00 each.
Total: \$2,000.00

The recipients of these grants are very appreciative and continue to provide positive feedback about these learning experiences.

Our committee on behalf of USATF awarded the second annual USATF Coaching Legend Award. Honored was Joe Vigil. Coach Vigil was recognized at the 2015 USA Outdoor Championships including a recognition ceremony during the meet and a reception for family and friends off site. Our next award winner will be recognized at the 2016 USA Olympic Trials in Eugene.

The CAC also sponsored a coach's hospitality at the USA Outdoor Championships. This effort continues to be well received and appreciated by our coaching community.

Members of our committee wish to express our gratitude to Terry Crawford, Director of Coaching, for her efforts on behalf of coaches within our organization. We look forward to continuing this partnership and working with the National Office communicating the views and concerns of coaches within our organization. We also will continue to work with USATF and other organizations involving members of our coaching profession in hopes we can enhance a more collaborative effort on behalf of coaches.

Respectfully submitted,

Cliff Rovelto

2015 Masters Track & Field Chair Annual Report

2015 was the third year of my second four-year term.

We will finish the year within budget and in general our finances are in order.

USA Masters Championships were conducted as follows:

1. Indoor Championships were conducted at JDL Fast Track in March 20-22 with 900 competitors.
2. The Combined Events Championships were held at the Park West Athletic Center on June 27-28.
- 3., The Outdoor Championships were at the University of North Florida in Jacksonville, Florida on July 23-26.
4. August 29-30, Seattle, WA the Throws Championships was contested.

In August 4-16, I attended the World Masters Athletics Outdoor Championships in Lyon France where the USA team of 425 athletes competed.

2015 Annual Report Masters LDR Committee

We entered 2015 very optimistic about the Membership Growth Initiative which **Lloyd Hansen, Pam Fales**, and **Paul Carlin** had worked on so diligently. Although we made significant strides in planning for it, it was unable to be kicked off in 2015, but we are looking for significant results during the 2016 calendar year.

We kicked off our Masters Grand Prix, in Boulder, Co with the Cross Country Championships, followed by the Brea, CA, 8K on 2/22; the 10k in Dedham, MA, on 4/26; the Half Marathon in San Diego, CA on 5/31; the Mile Championships in Flint, MI, on 8/21; the 5K Championships in Syracuse, NY on 10/4; the 5K Masters Cross Country at Saratoga Springs,

NY, on 10/18; the 15K in Tulsa, OK, on 10/31; the 12K Championships at Alexandria, VA on 11/15 and concluding with the Club XC Championships in San Francisco, CA on 12/12. Although not part of the Grand Prix, we also conducted a Masters Marathon Championship in St Paul, MN on 10/4. Virtually everyone on the Executive Committee participated in this excellent and growing program, with special plaudits going to **Marian Lein, Bill Quinlisk, Tom Bernhard, Lloyd Hansen, Paul Carlin, Dale Campbell, Mary Rosado, Lin Gentling, Madeline Bost** and **Don Lein**.

In addition to this superlative team effort on the Championships/Grand Prix, there were a number of individuals who contributed, as well, in their specialized area of expertise:

-**Mary Rosado** continued in her multiple roles of WMA Representative, at the WMA convention/track meet at LYON, France, Masters Drug Education Coordinator and this year, most importantly, our long standing L&L representative.

-**Marian Lein** continued in her role as Secretary and Treasurer, as well as being the coordinator for the Phidippides Awards program.

-**Tom Bernhard** continued to make improvements in the Masters Hall of Fame process incorporating both the entirety of the Overlooked Athletes as well as the current athlete selection. Tom also undertook the Masters rankings project, working with Running Times and will publish his first set of rankings this Fall.

-**Paul Carlin** has taken on the role of Media Coordinator and has provided very insightful and popular forecasts/recaps for all of our Championship races – **Doreen McCoubrie** has assisted him. **Paul** has also assumed the role of “Mr. Inside” to **Lloyd Hansen’s** “Mr. Outside” in the Membership Growth Initiative program mentioned above.

We had a very healthy and rewarding 2015 in all respects and that was due to everyone’s hard work and dedication. We look forward to 2016 anticipating we will improve upon our 2015 performances with a successful Membership Initiative Program opening many doors and offering many challenges for us to continue improvement in our offerings to our Masters Athletes as well as our partners in the running industry.

Mountain Ultra Trail Running Council Annual Report **October 26, 2015**

Mountain/Ultra/Trail are three disciplines which fall under the umbrella of Long Distance Running (LDR) and each attracts runners of all ages and abilities who enjoy the adventure and challenge inherent in our sport. Our council is delighted to report more than a few highlights from 2015 which include many podium finishes for our international teams. A summary follows.

Team and Individual Medals for:

- [WMRA Long Distance Mountain Running Championships](#) (Zermatt, SUI) - Men’s Team Silver, Women’s Team Bronze; Men’s Individual Silver (Andy Wacker).
- [NACAC Mountain Running Championships](#) (Vancouver, CAN) - Women’s Team Gold; Men’s Team Silver; Women’s Individual Silver (Megan Roche) & Bronze (Mandy Ortiz).
- [WMRA World Mountain Running Championships](#) (Betws-y-Coed, Wales) - Junior Men’s Team Silver; Junior Men’s Individual Silver (Levi Thomet); Senior Women’s Team Silver; Junior Women’s Individual Gold (Allie Ostrander).
- IAU 100km World Championships – women gold individual and team
- IAU 24 Hour World Championships – women gold and silver individual and team gold
- IAU Trail Championships (Annecy, FRA) – Men’s Team Silver.

Read below for additional details on our teams.

Congratulations to our 2015 athlete of the week from the Mountain Ultra Trail division: Camille Heron, September 24. We also had several athletes receiving notable performance honors.

Social Media: Our council continues to expand our marketing reach and to spread the USATF brand. During the year, we kept our fans up to date on the results of all Mountain Ultra Trail Championships via social media, including live Twitter updates from the World Mountain Running Championships and also from some of our USA Championships. Visit Mountain Ultra Trail at the following: Facebook: www.facebook.com/usatfmut; Twitter: www.twitter.com/usmrt; Web: www.usmrt.com; Web: www.usaltrarunning.com, www.facebook.com/pages/USA-100km-Team

Thanks to **Richard Bolt**, we have also hosted successful Google Hangouts and will continue to use this platform to promote our sport.

- US Mountain Running Team on Twitter: 2100 followers in 2013; 3114 in 2014; 4031 in 2015.
- US Mountain Running Team on Google+: 61,000 followers
- USA Ultrarunning on Twitter: 800 followers in 2013; 1585 in 2014; 2591 in 2015
- USATF Mountain Ultra Trail on Facebook: 1600 followers in 2013; 2436 in 2014; 3330 in 2015
- US National 24 Hour Running Team on Facebook: 4241 followers in 2015.

A new portal, AthleteBiz, a social platform for athletes, administered by Jack Wickens, has included -- with the assistance of Traci Falbo and Roy Pirrung -- some of our mountain ultra trail athletes. Initially a list of 10 athletes was proposed and several athletes have utilized the resource. We hope to have more of our mountain ultra trail athletes involved in the future with AthleteBiz.

Our leadership reviews and responds to missives from the national office staff, LDR committees, and our constituents. We, through our council and executive committee (EC includes: **Michael Wardian, Maria Dalzot, Brandy Erholtz, Traci Falbo, Max King, Jon Olsen, Eric Blake, Kami Semick, Richard Bolt, Roy Pirrung, Howard Nippert, and Nancy Hobbs**) keep up to date with rule changes that affect our athletes included those established by the IAAF, the IAU, and the WMRA. We are fortunate to have U.S. representatives on both the WMRA and IAU councils. We have a cohesive group which includes our council and executive committee, each of whom are dedicated to our sport and look forward to continued growth, awareness, and promotion of our many programs in 2016 and beyond.

Associations are encouraged to add Mountain Ultra Trail disciplines to their LDR program and to consider hosting a trail, mountain, or ultra championship event at the association, national, or international level. Contact the Mountain Ultra Trail chair or a member of the Council for suggestions and support with starting a program in your association.

Championships:

Our championship program encompasses a wide range of distances. The largest USATF presence was at our USA Mountain Running Championships, yet all of our championships had an increase in USATF participation over the past year. Championships in 2015, included – at the sub-ultra distances – mountain, half marathon, and marathon, and ultra distance – 50km road, 50km trail, 50 mile road, 50 mile trail, 100km road, 100km trail, 100 mile trail, 24 Hours.

Championships Awarded for 2016 and Beyond

(all for open and masters, men and women).

1/9/2016 - 100km Trail Champs - Bandera, TX
2/6/2016 - 100 mile Trail Champs - Rocky Raccoon
March 2016 - 50km Road Champs - Caumsett, NY
9/17/2016 - 24 Hour Champs - North Coast 24
October 2016 - ½ Marathon Trail - Bellingham, WA
November 2016 - Trail Marathon Champs - Moab, UT

We anticipate additional 2016 and 2017 bids for distances to include mountain, and ultra events.

Trail and Mountain Running Teams

The 12th mountain running national championship event was contested in Bend, OR, which also hosted the U.S. Mountain Running Team selection race for our US Mountain Running Team.

The junior team continues to be selected based on resumes and the team staff continued its outreach to the running community, including the addition of several college and high school programs which have expressed interest in providing candidates for our junior teams. This year a record number of candidates applied.

At the 31st World Mountain Running Championships in Betws-y-Coed, Wales, 32 countries. At the races, the U.S. Mountain Running Team had medal-winning results led by individual gold for junior women's team member **Allie Ostrander** and silver medal junior man **Levi Thomet**. It was the first time the junior men's squad earned podium honors with the team also receiving gold. Our senior women won silver with their best finish to date with all four women in the top 20 overall. The senior men finished a solid fourth in the team standings. Team manager **Nancy Hobbs** thanks the dedication of this year's team staff – **Richard Bolt, Ellen Miller, and Paul Kirsch**. The same staff will return in 2016.

The 32nd World Mountain Running Championships will be held on an uphill course in Bulgaria, on September 4, 2016. At the 12th NACAC Mountain Running Championships hosted by Canada at Cypress Mountain, Team USA women – **Megan Roche, Mandy Ortiz, Megan Lizotte and Christine Lundy**, earned gold. The men's team included two former junior athletes **Jeff Theis** and **Jordan Chavez**, who joined veterans of mountain competition **Josh Eberly** and **Ryan Woods**. The men's team earned a silver medal. **Richard Bolt** was the team leader and **Nancy Hobbs** was on site to represent the WMRA and assist with team duties. The 13th NACAC Mountain Running Championships will be hosted in Jalisco, Mexico either July 23 or July 30.

The 12th World Long Distance Mountain Running Championships were held at the Zermatt Marathon with 22 countries participating. The U.S. team – up to five run per gender with three to score – included **Stevie Kremer, Megan Roche, Brandy Erholtz, and Maria Dalzot** for the women, **Andy Wacker, Peter Maksimow, Mario Mendoza, and David Roche** for the men. Team staffer Richard Bolt accompanied the team and Nancy Hobbs represented the WMRA at the event along with Tomo Sarf and Wolfgang Munzel. USATF Board Member Fred Finke was also on hand to support Team USA at the event. The U.S. teams won silver for the men and bronze for the women with Andy Wacker placing second among the men overall. The 13th World Long Distance Championships will be hosted at Podbrdo, Slovenia on June 18, 2016. Already earning spots on the 2016 US Teams are **Andy Wacker, Stevie Kremer, Matt Shryrock, Edward Farley, Kristina Pattison, and Hillary Allen**. The top two men and women finishers at our USA Marathon Trail Championships on November 7, 2015, will also be named to the team.

100 km Team

The 28th IAU 100km World Championships was held on September 12, 2015 in Winschoten, The Netherlands. Team staff: **Lin Gentling, Tim Yanacheck, and Dr. Lion Caldwell**. This year's team included:

Women:

Camille Herron	7:08:35 (1 st) 4 th fastest 100K of all time - women GOLD Medal

Nicholas Accardo	7:13:22 (35 th)
Zach Bitter	DNF
TEAM	4 th

iRunFar has done a great job of being onsite and reporting live results as well as pre and post interviews of the 100K team. The selection criteria for the 2016 USA 100km team can be found on the USATF website. The date and venue for the 29th IAU 100km World Championships has not yet been announced.

24 Hours Team

The 11th IAU 24 Hour World Championships was held in Torino, Italy, April 11-12, 2015. The team staff included: **Dr. Andy Lovy**, team leader **Howard Nippert**, and assistant team leader **Mike Spinnler**. Team USA women won gold, Team USA men finished fourth. Individuals included Women: Katalin Nagy (1st) 151.926 miles, Traci Falbo (2nd) 148.971 miles, Maggie Guterl (4th) 146.526 miles, and Men: Rich Riopel (8th) 159.532 miles, Harvey Lewis (9th) 158.741 miles. The 24 Hour Championships will next be held in 2017.

Other International Competitions

The IAU Trail Running Championships was held in Annecy, France, on May 31. The US men finished in silver medal position among the 26 teams led by Alex Nichols in sixth place. David Laney finished 12th, Alex Varner in 18th to score, Yassine Diboun finished in 82nd, Tim Tollefson dropped from the race with a foot injury. For the women, Cassie Scallon in 12th, led the women to seventh among the 18 teams. Teammates Krissy Moehl finished 20th, and Amy Rusiecki finished 48th. Richard Bolt served as team leader.. The venue and date for the 2016 event has not been announced. The 50km World Championships will take place in Doha, Qatar on December 4 – Team USA will be lead by Susan Dunn, with men's team to include Zach Ornelas, Geoff Burns, Tyler Andrews, David Laney, Tony Migliozzi, and for the women Camille Herron, Emily Harrison, and Alexandra Blake. There will be \$10,000 awarded in prize money split equally among the men and women.

International competitions are also available for masters athletes for mountain, trail, and ultra runners. Visit www.wmra.info and www.iau-ultramarathon.org for details.

We continue to monitor and update our team selection process. Our team athletes and dedicated staff members traveled to our world events in 2015, including the IAU 100km World Championships, the NACAC Mountain Running Championships, the Long Distance Championships, the IAU Trail Championships, the IAU 50km World Championships, and the World Mountain Running Championships. Most of our athletes and staff spend their own money to take these trips to international events. The 2016 team staffs have been selected for the 100km, and mountain championships. Additional staff will be selected for championships events including the NACAC Mountain Running Championships, 50km Championships (road), Long Distance Championships, Youth Challenge, and IAU Trail Championships.

Team Invitational

In an effort to bring a new level of competition for the ultra audience and to stimulate interest in high-level team competition for brands, MUT's executive committee with Kami Semick taking the lead, has created the USA Ultra Team Invitational which will take place at *The North Face Endurance Challenge 50 mile, on Saturday December 5, 2015*. To make this an inclusive event for the ultra running community, for this inaugural event within an event, USATF membership is encouraged but *not* required; International athletes are welcome to score for their team; Competing athletes will be asked to sign a zero tolerance statement regarding the use of performance enhancing drugs. The objectives of the invitational are to: Increase the depth of competition in ultra competitions; Further encourage participation in the sport; Increase spectator opportunities and interest; Further deepen the relationship between USATF and the elite ultra running athletes which will help USATF field the highest quality team for World-level competitions.

For The North Face Endurance Challenge, each sponsor team will be capped at ten (10) entries. To obtain the full ten (10) entries, entries need be a combination of male and female athletes, with a minimum of three (3) of each gender. For example, a team could register five (5) men and five (5) women, or four (4) men and six (6) women, or simply three (3) men and three (3) women. Teams are not required, but are encouraged, to send a team of both genders. If a team chooses to send only one gender, then the entry will be capped at five (5). Upcoming invitational events are slated for Lake Sonoma 50, Sonoma, California; April 9, 2016, and The Rut 50km, Big Sky Resort, Montana September 2017. Following the 2015 event, the program may undergo changes.

International Updates

The IAAF Congress has approved Article 252 - Trail Running - within the IAAF Rule Book. Details on the organization within the IAAF to administer trail have not yet been finalized. In 2016, the second IAU Trail World Championships is planned although a venue and date have yet to be announced.

Snowrunning

Mountain Ultra Trail council members have been meeting for the past three years with members of the US Snowshoe Association including President Mark Elmore. In addition, meetings – formal and informal – have also been conducted with LDR division leaders, USATF staff, and the MUT executive committee. The goal at our Annual Meeting this year is to formally include snowrunning (encompassing snowshoes and traction devices as well as simply “running on snowy terrain,” into the broader category) as part of our program having deferred the decision from 2014's Annual Meeting in order to get rules and guidelines set up for the discipline. The 2016 USSSA National Championships have already been awarded to Powder Mountain Resort, Ogden, UT, and will be held February 26-28. The 2017 venue is not yet decided, but it will be in the Eastern region of USA.

Collegiate Mountain Running Association

Promoting Healthy Lifestyles among College Students through Running

The Collegiate Running Association (CRA) continues to strengthen its relationship with USATF and has built upon its first year's successes to host a total of [4 collegiate national championships in 2015](#) offering a combined \$32,000 in prize money (as compared to \$16,000 last year) specifically reserved for college students taking at least one college course at any level. The Collegiate Running Association is a 501(c)3 non-profit organization founded November, 2013 with a mission to promote healthy lifestyles among college students by providing and expanding opportunities in the sport of running. They offer collegiate national championship events in mountain running, trail running and road racing with prize money specifically reserved for college students enrolled in at least one course and seek to promote and support aspiring athletes as they pursue their athletics and professional careers.

The inaugural Indiana Urban Wilderness Run in Indianapolis, IN, hosted the first ever [Collegiate Trail Running National Championships](#) on June 13. The first year race, which included students from 20 colleges and universities, was the first public event to utilize a recently completed section of urban trails along the Fall Creek and White River corridors in Indianapolis.

The [2015 Collegiate Mountain Running National Championship](#) took place concurrently with the U.S. Mountain Running Championships on July 26, 2015 in Bend, OR. For the second consecutive year the race format provided an opportunity for college students to compete for the Collegiate and USATF title's simultaneously, while racing their way onto the USMRT and winning collegiate and open prize money. CRA's Mountain Running Championships doubled in participation since last year and attracted the best collegiate mountain runners in the country representing 30 colleges and universities. Collegiate runners swept the top male and female spots as **Patrick Smyth** (University of Utah/UT) and **Morgan Arritola** (Central Oregon College/OR) won both the U.S. and Collegiate titles. In doing so Smyth and Arritola along with Collegiate Runner-Up **Joe Gray** qualified to represent team USA in the 31st World Mountain Running Championships held in Wales on September 19, 2015.

In the past two years Collegiate Running Association students have represented the U.S. at the:

2014 Bupa Great Edinburgh Cross Country, NACAC Cross Country Championships, NACAC Mountain Running Championships, WMRA Long Distance Challenge, International Chiba Ekiden, World Mountain Running Championships and World Junior Mountain Running Championships. 2015 APA Pan American Cross Country Cup, IAAF World Cross Country, World Long Distance Mountain Running Championships, NACAC Mountain Running Championships, Pan American Games, NACAC Senior Area Championships, IAAF World Athletics Championships, World Mountain Running Championships and World Junior Mountain Running Championships.

To learn more about the Collegiate Running Association or sponsorship opportunities, visit www.collegiaterunning.org or contact info@collegiaterunning.org

Special appreciation is extended to our enthusiastic and very active Mountain Ultra Trail Running Council and Executive Committee for their efforts to bring more visibility to our three (and presumably a fourth) running disciplines within USATF. We have had increased support and visibility from the national office staff and thank everyone in Indianapolis for their dedication to our disciplines this past year.

Submitted on **October 26, 2015**, by Nancy Hobbs, Chairperson, with input from the USATF Mountain Ultra Trail Running Council and Executive Committee.

Subject: National Officials Committee 2015 Chairs Report

USATF Senior Indoor Championship – Boston, MA

The officials' crew did an excellent job, not one protest filed, six selected individuals declined their assignments, and one was for health reasons. All officials were given a stipend to work the meet and a good number of them sent an e-mail letter/note of thanks to Max Siegel. A thank you to Laurie Boemker for an outstanding job, coordinating the officials for this championship.

USATF Senior Outdoor Championship – Eugene, OR

Another outstanding job completed by the officials' crew. Sixteen (16) protests were filed, fourteen (14) running events and two (2) field events. All but two (2) were denied. The two (2) that were upheld were running events and both athletes were advanced to the next round. A total of eight individuals declined their assignments to work the championship for a variety of reasons. Dennis Olafson was the officials coordinator and did an excellent job in placing people where needed.

USATF 2016 Championships – USATF/IAAF

Officials applying to work USATF's Senior, Junior and World IAAF championships for 2016 were completed as of October 15, 2015. The selection of officials for these championships will take place at the Annual Meeting in December at Houston, TX.

2016 Competitive Championship Dates – Officiating Opportunities

There will be many opportunities to work indoor championships for those not selected for the USATF Senior meet as the NCAA (all Divisions I, II, and III) will be needing officials for the same date at the USATF Indoor Championship March 11-12, 2016.

Officials Uniform Shirt

USATF's office staff is currently working with NIKE to have the new official's shirt ready in March of 2016 for the USATF Indoor Championships in Portland, OR.

SafeSport Course

As mandated by the USOC all officials must complete the SafeSport course by December 31, 2015. For information to complete the course please refer to recent NOC newsletters for information and links on how to complete the course.

Background Screening

This program is also mandated by the USOC. All officials working future championships will be required to have a background screening before officiating a championship. In addition before re-certifying for the new Olympiad (2017-2020) all individuals will have to complete a background screening before re-certification can take place. Watch for information in upcoming NOC newsletters regarding how to complete the background screening.

NOC Election

Per USATF Bylaws & Regulations the National Officials Committee will conduct one election at the 2015 Annual Meeting. The position is for a seat on USATF's Board of Directors. Ken Taylor our current representative is termed out at the end of 2016.

Officials Championship Evaluations

NOC evaluations for 2015 Senior Championship officials (both Indoor and Outdoor) were completed via the internet. The system proved to be very efficient and productive. Both Jimmy Stuart vice Chair of Certification and Rob Buzaitis vice Chair of Training were responsible for implementing this system.

National Officials Committee Newsletter

Scott Rose, Editor and Publisher of the NOC newsletter are doing an excellent job in getting the letter out every month. Scott is looking for contributions to the newsletter. If you have something of interest or information it would be appreciated if you would pass it on to Scott for publishing.

"Best Practices"

Rich Schornstein continues to do a great job in keeping the " Beat Practices" library current. The library, consist of over 100 items regarding all facets of conducting and officiating a track & field meet.

USATF Office Staff

The NOC's communications with USATF's office staff is excellent. There have been many contacts this past year with Stephanie Hightower, Max Siegel, Renee Washington, Norman Wain and Jim Estes. Each considers the officials committee a vital part of the USATF organization and are receptive to our needs and concerns.

Respectfully submitted,

Len Krsak

National Officials Committee Chair

Gene Newman, RRTC Chair's Report for 2015

The RRTC continues to inject new people into our network of measurers and Certifiers. In 2014 we had **94 New Measurers** and in 2015 at this point in time we have **77 New Measurers**. We have encouraged our Regional Certifiers to find people and train them and this appears to be working.

Another project we have improved upon is our Education and Training Workshop. Over the last year and half we have had 4 workshops. At this year's Annual Meeting in Houston, we will be trying something new and include a workshop on measuring Friday, Dec. 4th, 2015. It is open for anyone and if you have question direct them to Toni Youngman our Education and Training Chair.

Measurement Workshop expenses approved by the RRTC is as follows: If the group doesn't pay the individual(s) anything for doing the workshop, then RRTC would take care of their expenses(meals, travel and hotel), but not to exceed the budgeted amount given to us by USATF. An Honorarium of \$100 would be given to the individual(s) presenting the workshop.

Workshops were done at RRCA Meeting in Seattle and also in Dayton Ohio.

I decided about a 1.5 years ago we needed to expand our Final Signatories. At that point in time we had 19 Final Signatories and after my appointments we now have 34! (Note: Some of those have become Regional Certifiers). The main reason for these appointments is allows our Regional Certifiers to train new measurers. Just to point out, this status has been assigned to prolific measurers who have shown they understand the process and have been recommended by their Regional Certifiers. One requirement is they must be able to do submissions electronically.

Here is how this has been done. I asked our Regional Certifiers for recommendations. If these individuals were interested, I have them submit their work directly to me. After a period of time, they would be granted full FS status once they prove they understand the process.

The list of our new Final Signatories are as follows:(note: some may have moved on to become a Regional Certifier) Brad Smythe, Nathan Porch, Winston Rasmussen, Jeff John, Doug Jones, Bob Brennand, David Heithaus, Jon Elmore, Neyl Marquez, Logan Burgess, Bob Kennedy, Lyman Jordan, Brandon Wilson, Gary Meyer, Matthew Compton and Ken Lowden. We have placed the Final Signatories on the USATF site.

Below are RRTC people who resigned during this year along with their Replacements:

1. I accepted the resignation from Lou Joline as the Missouri Regional Certifier and he was replaced by Don Garrett. Lou only served a short time and found it difficult to keep up to date on his submissions.
2. I accepted a resignation from Duane Russell from all his positions with RRTC. Duane served as a Regional Certifier and Vice Chair for 9 years. His present job requires him to be away for many weeks

and he can't continue to be active in the RRTC. Hence, we are fortunate to have Logan Burgess take over the Regional Certifier positions and Jane Parks to be the Vice Chair West.

3. I accepted a resignation from Jay Wight as the IL Regional Certifier. His job and other things was making it difficult for him to continue in this position. Jay has served the RRTC for over 30 years and has done outstanding service for all of us. Hence, we are fortunate to have Neyl Marquez, one of our Final Signatories take over the Regional Certifier position. Neyl has shown dedication and he has made this an easy transition.
4. I accepted a resignation from Lyman Jordan as the MD Regional Certifier. Has been replaced by Nathan Porch, one of our Final Signatories. Nathan has made this a smooth transition.
5. I accepted a resignation John Ferguson from his positions with RRTC as the SD, ND, NM and LA Regional Certifier. John has been doing this for over 30 years and he decided now is a good time to step down. Here are the new Regional Certifiers: Mark Neal (ND & SD), Toni Youngman (LA) and Gene Newman (NM).

Mike Wickiser was appointed to the position of Validation Chair by Gene Newman replacing Neville Wood.

Mike has done an outstanding job and has worked closely with the records Chair. We also updated the Role of our Validation Chair which has been posted online. This includes the new language for Verifications of USAFT Championship Races.

For Pre-verification, it was approved the stipend the race should pay the measurer(s) will be the same as Post-Verifications provided the race was measured originally by an "A" or "B". If not then it's between the race and the two IAAF measurers. A document was approved by Jim Estes that explains what USATF Championship Races expenses will be related to the verification/validations.

Pre-verification of USATF Championship Courses:

USATF policy requires courses for **USATF Championship Races** to be **Pre-Verified**. This means that any necessary re-measurement(s) must be carried out **before** the race so, if a World or US National Open Record is set in the race, it will not be necessary to re-measure the course after the race. To achieve this status, the following notes apply:

- **Note #1:** If the original measurements for certification were performed by one IAAF "A" or "B" grade measurer, the course requires an additional (verification) measurement, to be performed before the race by a measurer selected by the RRTC Validation Chair or the RRTC Chairperson. The selected verifier will be an IAAF "A" measurer, different from the original measurer. Then, either the original measurer or the verifier must be present at the race to "validate" the course per IAAF Rule 260.28(d).
- **Note #2:** If the original measurements for certification were performed by two IAAF "A" measurers, or by an IAAF "A" measurer and an IAAF "B" measurer, the course is already considered pre-verified per IAAF Rule 260.28(e), so no additional measurements are required; however, one of the original measurers must be on hand during the race to "validate" the course per IAAF Rule 260.28(d).
- **Note #3:** If the original measurements for certification were performed by measurers who do not have IAAF "A" or "B" status, the course requires additional (verification) measurements, to be performed before the race by **two** measurers selected by the RRTC Validation Chair or the RRTC Chairperson. The selected verifiers will either both be IAAF "A" measurers, or one will be an IAAF "A" measurer and the other an IAAF "B" measurer. Then, one of the verifiers will need to be present at the race to "validate" the course per IAAF Rule 260.28(d).

- **Note #4:** As in any pre-race verification situation, all costs are the responsibility of the event.

Note: This has been distributed to both LDR Chairs at the 2014 USATF Meeting

We had several races pre-verified during the year. Here are the particulars on them:

1. Duane Russell Pre-verified the USATF ½ Marathon Championship Race in Houston
2. Jane Parks Pre-verified the USATF Championship in Ct.
3. David Katz Pre-verified and Validated the Carlsbad 5k.
4. Mark Neal, Ron Scardera and Doug Thurston Pre-verified the US Olympic Trials in LA
5. Jim Gilmer Pre-Verified and Validated a 5K in Boston
6. Toni Youngman Validated the USATF Championship Race in Jacksonville

The number of courses Certified is on record pace. The number of Certified Courses continues to increase each year and this year appears to be on a record pace again, as it is going to be close to 3100 courses certified. The total number of courses certified since the late 70's is around 50,000. About 95% of the East Certifiers are sending their Certificates and maps electronically to both Justin and I. The West Certifiers are at 85%. All of this has enabled posting of the Certificates online in a day or so after they are received. The 5 km's lead the way with 1200 certified this year, followed by 10 km's with 300 certified and for the Half Marathon there have been 200 certified.

The Application for Certification of a Road Course or Calibration Course was modified as following:

1. We allow an option to enter Certification Number of Calibration Course instead of mailing the certificate and map for calibration course.
2. Now one has to enter who used the EDM and what type of a unit this was.
3. There was a problem as compared to our Certificate. The Application calls for "Person in Charge of Measuring" while the Certificate has "Measurer". The "Application for Certification" now matches our "Certificate". Now the Application asks for "Measurer Contact" as the person who actually ride the bike. The reason is if one has to do a Verification or Validation, we would want to go to the person who rode the course on a bike. RRTC has no way of knowing who does the math or even the maps, but we need to know who rode the course.
4. It now is compatible with IAAF's

RRTC communication with Measurers and Certifiers: This is done at the following link:

<http://measure.infopop.cc/eve>. We have 371 Registered Members and on a monthly bases there is an average of over 2000 page views per day. The goal is to provide a place for anyone to find or ask questions relating to the certification process. Also one can present a topic that would have special interest to those that measure.

Some other changes or things done are shown below:

1. The title below signature on certificate used by Regional Certifiers and Final Signatories will be USATF/RRTC Certifier. It was decided the IAAF status is not pertinent to certification, but relevant to measurer. Hence, if one is an IAAF measurer it now will be placed where the measurer's information is and not on Bottom of Certificate.
2. It was decided if a measurer's work is repeatedly unrealistic. It was decided it should be handled at lowest level if possible. However, the Chair or Vice Chair should be notified of any action taken.
3. Expense allocation for USATF annual meeting for Officers provided they fulfill their officer's job is as follows: Airfare up to \$300 and two nights at the Hotel will be covered.
4. Should officers attend annual meeting? We decided that attendance is not required but expected.
5. We created an Award in Ted Corbitt's honor. Jim Gilmer, Mike Wickiser and Gene Newman produced a policy for deciding the Ted Corbitt/RRTC Award. This year's Awards go to: Pete Riegel, Paul Hronjak, Tom & Mary Anne McBrayer and Wayne and Sally Nicol
6. Open Office presentation has been posted under tools for measurers (produced by Nathan Porch). This is an excellent tool for map making.
7. Mark Neal has found that our Bulletin Board can be backed so no information will be lost.
8. The RRTC operating procedures at <http://www.usatf.org/About/Bylaws---Operating-Regulations.aspx> was updated.
9. Validations change to Rule 260.28. A measurer who originally measured the course or a qualified Official with a copy of the documentation detailing the officially measured shall ride in the lead vehicle during the competition to validate that the course run conforms to the course measured.
10. Foreign Course List has been updated on the USATF search engine
11. An Open Office presentation has been posted under tools for measurers(produced by Nathan Porch)

Goals

- A. To provide the running community with the best possible service.
- B. We are going to create an online workshop for making maps by using Open Office. Those interested can log in and be students as Mark Neal will do his thing
- C. Continue to have measurement Workshops and look for ways to encourage people to become measurers.
- D. We will continue to explore the process of Electronic submissions for our Certificates. This will be done by the Vice Chair West as the Vice Chair East.

Respectfully submitted by Gene Newman, RRTC Chair

USA Track & Field Records Report – 2015

This report includes all records reported / and or applied for since last years annual meeting. This document as well as any updates and addendums are located online in the USATF Annual Meeting Document Library. The Records Committee Chair gratefully acknowledges the work of the respective sports committee record keepers: Bob Hersh (Men's and Women's Track & Field), Andy Carr (Men's and Women's LDR), Donald H. Lein (Masters LDR), Denise Smotherman (Youth Athletics), Jeff Brower (Masters Track & Field, David Talcott (Masters Race Walking). Thanks are also due to Gene Newman, Mike Wickieser, Neville Wood, Pete Riegel (Road Running Technical Council), David Katz and Steve Vaitones for their indispensable contributions to the record keeping process.
